# DR. NORMAN TOPPING

## University Chancellor

After twelve distinguished years as the seventh president of USC, Dr. Norman Topping announced his early retirement for reasons of health in spring, 1970.

Following the selection of Dr. John R. Hubbard to succeed Dr. Topping, the USC Board of Trustees invited the popular former President to remain on campus, serving in the post of University Chancellor. Dr. Topping accepted, and thus continues to serve his Alma Mater.

The second alumnus to head the oldest and largest independent co-educational university in the West, Dr. Topping became USC's chief executive officer on Sept. 1, 1958.

He was graduated from USC in 1933 with a bachelor of arts degree and in 1936 with the degree of doctor of medicine.

He was the chief architect of USC's Master Plan for enterprise and excellence in education, announced in 1961 after a two-year study by trustees, administrators and faculty members.

More than \$235 million has been raised since then, mostly from private sources.

Dr. Topping came to the USC Presidency after a distinguished 16-year career with the U.S. Public Health Service, climaxed by his appointment as an Assistant Surgeon General and associate director of the National Institutes of Health in Bethesda, Md.

He also was vice president for medical affairs at the University of Pennsylvania six years immediately prior to returning to USC.

Dr. Topping developed the typhus vaccine used in World War II by more than 15,000,000 U.S., Canadian and British servicemen. The vaccine still is in use.

# JOHN McKay

## Director of Athletics

### Head Football Coach

John H. McKay, 49, head football coach and athletic director at the University of Southern California, is one of America's most successful and respected coaches. McKay, whose teams have played in five Rose Bowls in the last ten years, begins his 13th year as head coach with a 12-year record of 88-33-6. His mark the past ten years is an even more impressive 80-22-5.

McKay is currently serving as First Vice-President of the American Football Coaches As-

sociation and will become President next year.

McKay's Trojans have won two national championships (1962 and 1967), finished in the "Top Ten" in wire service polls seven times, won six Pacific-8 championships and appeared in the Rose Bowl five times, winning three of the five games.

In the past five years Trojan teams have compiled a record of 41-10-4 while facing a schedule second to none.

Twice—1962 and 1969—USC teams under John McKay have been undefeated. The 1962 team was 11-0 and the 1969 team was 10-0-1. Both won Rose Bowl games.

Southern California has the best record in the Pacific-8 Conference over the past 10 years overall (80-22-5) and in conference play (41-11-1). The Trojans are fifteen and a half games ahead of the next best conference team in games against all competition.

In the 57-year history of the Rose Bowl, only one coach—John McKay—has had a team qualify for four successive trips to the Bowl.

McKay came to USC in 1959 after having served as an assistant coach at his alma mater, the University of Oregon, since his graduation in 1950. McKay served as an assistant under his college coach Jim Aiken and remained at Oregon under Len Casanova upon Aiken's retirement.

He joined the staff at USC in 1959 and became the Trojans' 16th head coach in 1960.

McKay served in the Air Force following high school before enrolling at the University of Oregon where he starred at halfback for the Ducks during the 1948 and '49 seasons. McKay led the Fighting Ducks in scoring during the 1948 season with eight touchdowns.

The McKay and Norm Van Brocklin-led Oregon club went 9-1 during the regular 1948 season and lost to Southern Methodist in the Cotton Bowl. McKay earned All-Coast first team and All-America honorable mention recognition. He was drafted by the New York Yankees of the old All-American conference following the 1949 season but decided, instead, to pursue a career in coaching.

McKay married Oregon co-ed Nancy Hunter of San Bernardino and the couple have four children (Michele, John Jr., Theresa and Richard) and reside in Covina, a Los Angeles suburb.

**Virgil Lubberden**

## **RAY GEORGE**

### **Assistant Athletic Director**

Still ranked as an all-time Trojan line great, Ray George returned to USC last year as assistant athletic director.

He was born on January 17, 1918 in St. Louis, Missouri and attended high school at Loyola in Los Angeles. Ray entered USC as a freshman in 1935. Although never gaining consensus All-American mention, George was never outplayed in three years of varsity football at SC. Following his graduation from SC, Ray then played two years of professional football with the Detroit Lions in 1939 and the Philadelphia Eagles in 1940.

He joined the coaching ranks in 1941 at Porterville High School. Entering the service in 1942, he ultimately attained the rank of Lieutenant.

Ray first joined the Trojan coaching staff as line coach in 1946 and served in that capacity through 1950. He moved up to the head coaching job at Texas A and M in 1951 and coached the Aggies for three seasons. He retired from the coaching ranks following the 1953 season and went into private business. Don Clark persuaded the popular assistant coach to rejoin the USC staff in 1958. He served as John McKay's senior assistant for five years.

Ray was Vice-President of Sales for Transamerica Title Insurance Company before being named to his present position in January, 1971.

## **VIRGIL LUBBERDEN**

### **Assistant Athletic Director Business Affairs**

Quick thinking, personable and efficient, Virgil Lubberden was named an assistant athletic director the past year by Athletic Director John McKay.

Lubberden is in his 11th year of managing USC's athletic business affairs. He handles all the travel plans and financial aspects of the Trojan athletic teams, including budget preparation and control for the athletic department.

He alternates every other year as resident manager of the Rose Bowl Game. He was nominated for Athletic Business Manager of the Year in 1970.

A graduate of USC with a degree in business administration, Lubberden worked for Union Oil Company before returning to USC. He served as assistant ticket manager under John Morley for three years prior to becoming athletic business manager.

## **DAVE LEVY**

### **Assistant Athletic Director**

Dave Levy, assistant football coach at USC for the past 12 years, was named assistant athletic director at the university last December by new athletic director John McKay.

Levy will continue with his football duties. He is one of two Trojan assistants who have been with McKay since his first year at USC in 1960. The other is Marv Goux.

The popular Levy came to Troy following a highly successful three-year coaching career at Long Beach Poly High School. In the three years he was at Long Beach, the Jackrabbits compiled a 28-1-1 record, winning the CIF championship in 1958 and 1959.

Levy was born October 25, 1932, in Carrollton, Missouri. After moving to Long Beach as a child, he attended Poly High, winning All-City honors as a tackle in football.

Following graduation from high school in 1950, he attended Long Beach City College where he played football for two years. Levy transferred to UCLA, lettering in football in 1952 and 1953. He played against Michigan State in the 1954 Rose Bowl.

After graduating from UCLA, Levy spent the 1954 season as an assistant coach with the UCLA Frosh. He moved back to Long Beach City College as an assistant in 1955.

In 1956 the genial coach returned to Long Beach Poly, serving one season as line coach before becoming head coach in 1957.

Dave and his wife Marlys live in Seal Beach with their two children, John, 17 and Robert, 13.

## **MARV GOUX**

### **Assistant Coach**

Marv Goux, the most inspirational member of John McKay's coaching staff, has been with McKay since his Trojan head coaching start in 1960.

Goux was born September 8, 1932, in Santa Barbara, where he is still known as one of the top prep footballers ever to play in the area. Goux gained both All-CIF and All-America honors while in high school.

After his graduation from high school, Goux entered Ventura Junior College where he again gained All-America honors at linebacker.

In 1952 the feisty Goux transferred to USC, where he earned a starting berth on the varsity. Goux was a standout performer in the 1953 Rose Bowl against Wisconsin. A back injury kept Goux out of action during the 1953 campaign, but he came out for the squad in 1954, taking over at center, a position he had never before played. He won his third varsity letter in 1955.

Although small for a lineman, Goux made up for his lack of size with tremendous desire and spirit. Goux has continued to convey this winning attitude to all those who have played under him.

He is one of only two USC footballers to twice win the Davis-Teschke Award, given annually to the most inspirational varsity football player. Marv also was picked as co-captain of the 1955 team.

Goux has been an assistant coach at USC since 1957 and was head freshman coach his first three years.

Marv is married to the former Barbara Groth, and lives in Encino with his wife and daughter Linda Marie, 14.

## **CRAIG FERTIG**

### **Assistant Coach**

Former Trojan football hero Craig Fertig is now in his eighth season as a member of John McKay's coaching staff.

Fertig played a key role in one of USC's greatest football wins, the 20-17 come-from-behind victory over Notre Dame in 1964. He threw the winning TD pass to Rod Sherman after guiding Troy's second-half comeback effort.

Born May 7, 1942, in Bell, Fertig attended Huntington Park High School where he earned all-City honors at quarterback, while leading his team to the City title.

Fertig entered USC in the fall of 1960.

He started for the Trojans in 1964, out-dueling All-Americans Craig Morton of Cal and John Huarte of Notre Dame as the Trojans finished with a 7-3 mark.

He was named co-captain in 1964 and was recipient of the Davis-Teschke Award as most inspirational varsity player.

Following his varsity career, which saw him set eight USC school passing marks, Fertig graduated with a degree in Education. He was drafted by the Pittsburgh Steelers but passed up a pro career to join Coach McKay's staff one week following his graduation.

Currently sixth on the all-time USC passing list, Fertig hit on 151 of 290 passes for 2,230 yards. He is also fourteenth on the Trojan all-time total offense list, with a total of 2,295 yards gained rushing and passing.

Fertig and his wife Nancy, also a USC graduate, live in Glendale. They have two children, Marc John, 3, and Jennifer, 1.

## **WILLIE BROWN**

### **Assistant Coach**

Former Trojan football star Willie Brown joined the USC coaching staff in 1968.

Brown served as assistant coach in both football and baseball, the two sports in which he excelled while at USC, for two seasons before being assigned only football chores.

Brown was born March 21, 1942, in Tuscaloosa, Alabama. He began his football career at Long Beach Poly High. Brown is regarded as one of the greatest football players ever developed in Southern California prep circles. He was named CIF Player-of-the-Year and a prep All-America in 1959, after Poly won the CIF title.

Brown will always be remembered by USC fans for one of the greatest catches in USC football history. Against UCLA in 1962, with the Trojans down 3-0 late in the game, Brown made a sensational catch of a Bill Nelson pass on the Bruin 2-yard line, setting up a TD that led to the Trojans 14-3 victory.

Brown was the leading rusher on the 1962 national champion football team, and also was the leading batter (.352) on USC's 1963 baseball squad, which also captured the NCAA title.

After his graduation, Brown went into professional football, playing three years with the Rams and the Philadelphia Eagles.

Two of Willie's brothers are now in professional baseball. Ollie is a slugging outfielder for the Milwaukee Brewers, while younger brother Oscar, a former USC player, is with Atlanta.

Willie and his wife Carole live in the city of Carson with their two children, Brian, 9, and Kimberly, 7.

# **SKIP HUSBANDS**

## **Assistant Coach**

Skip Husbands, in his second year on John McKay's staff, coached some outstanding Trojan players even before coming to USC.

Prior to joining McKay's staff, Husbands served as line coach for three years at Arizona Western College in Yuma (Ariz.) where Charlie Weaver, Willie Hall and Skip Thomas played before transferring to USC. Charles Hinton and Karl Lorch of the current Trojan team also played at the Arizona school while Husbands was there.

Born June 29, 1941 in Ventura, Skip played center and linebacker on the same team at Huntington Park High School as Trojan assistant Craig Fertig. He spent one year at East Los Angeles College before transferring to Utah State. Playing on the same Aggie team as pros Bill Munson and Lionel Aldridge, he lettered three years as a middle linebacker and, in 1963, earned the team's "Hustle Award".

Husbands began his coaching career as a graduate assistant to Tony Knapp at Utah State in 1965 while earning his Master's Degree. He spent four years as an assistant coach at Las Vegas (Nev.) High School before joining the Arizona Western Staff.

The new Trojan assistant is used to winning teams. In his three years at Utah State the Aggies lost only five games. Las Vegas High was 25-9 and Arizona Western 26-4 during his coaching years.

Skip and his wife, Norma, have two daughters, Shelly, 6, and Stacey, 4.

# **DON LINDSEY**

## **Assistant Coach**

After working under both Bear Bryant of Alabama and Frank Broyles of Arkansas, Don Lindsey is in his second year with John McKay at USC.

Lindsey coached the Trojan linebackers, including All-America Willie Hall, last year and will continue in that duty this season.

Last year, Lindsey was in charge of the defensive secondary for Broyles at Arkansas. He will coach the linebackers at USC.

Lindsey was born September 17, 1943 in Camden, Arkansas. He was a high school All-America as a quarterback for Camden High School and also won district honors in basketball, track and baseball.

At Arkansas A and M, Lindsey played quarterback and safety, earning honorable mention Little All-America.

Lindsey started coaching in 1965 at Alabama under Bryant. He served as an offensive and defensive backfield coach during his two years there and also received his Master's degree from Alabama in 1966. He worked with Crimson Tide quarterback Scott Hunter who broke Joe Namath's passing records at Alabama.

Prior to moving to Arkansas, Lindsey spent one season at Montana State and two at Washington State on Jim Sweeney's staff.

Lindsey and his wife, Linda, live in Marina Del Rey.

## **WAYNE FONTES**

### **Assistant Coach**

Former Michigan State star and New York Titans defensive back Wayne Fontes is in his second year on the Trojan staff.

Fontes, who works with the defensive backs, came to USC from Iowa where he coached for three years under Ray Nagel.

The Trojan secondary intercepted 20 passes last season, most in the nation.

He was born February 17, 1939 in New Bedford, Mass. and attended Canton McKinley High School in Canton, Ohio. In high school Fontes was a high school All-American half-back and also won All-State honors in baseball and All-City in basketball.

At Michigan State, Fontes was good enough to play in the Senior Bowl and North-South All-Star games. He played one season with the New York Titans of the American Football League before a broken leg forced his early retirement.

Fontes coached the Michigan State frosh in 1963 and earned his Master's degree there in 1964. He was head coach at Bay City (Mich.) High School for two seasons with an impressive 18-2 record and spent 1966 and 1967 as a defensive coach at the University of Dayton prior to joining the Iowa staff.

Wayne and his wife, Evelyn, have three children, Mike 11, Scott 9, and Kimberly 6. They live in Diamond Bar.

## **JOHN ROBINSON**

### **Assistant Coach**

John Robinson, assistant coach at the University of Oregon for the past 12 seasons, is the newest addition to John McKay's staff.

Robinson, who will work with the offensive backs, came to USC last March.

He played on three Webfoot teams including the 1957 Rose Bowl team as an end and then served as a graduate assistant for two years before joining the Oregon staff in 1960. As freshman coach for the next three seasons, his teams posted an 8-3-1 record.

After serving as Oregon's head defensive coach for three years, Robinson has been in charge of the Webfoot offense the past three seasons. The past two Oregon teams broke most of the school's offensive records (10 season marks and six game highs) and two Pac-8 marks. Two of Robinson's backs, quarterbacks Dan Fouts and Bobby Moore, broke virtually all the Duck individual offensive records.

Robinson, who attended Serra High School in Daly City, Calif., graduated from Oregon with a B.S. in education in 1958.

He is married and he and his wife, Barbara, have two daughters, Teresa, 12, and Lynn, 11, and two sons, David, 9, and Christopher, 5.

## LOS ANGELES MEMORIAL COLISEUM— HOME OF THE TROJANS

When you are talking about Los Angeles Memorial Coliseum history the University of Southern California and that history are synonymous!

The first football game ever played on the Coliseum gridiron was witnessed by 12,863 people—as USC hosted Pomona College on October 6, 1923.

From that point on it has been a continuous upward climb, as the Cardinal and Gold, in a game with their national rival Notre Dame, jammed 105,236 fans into the huge Coliseum on December 6, 1947 to stand as the all-time record attendance for a college game in Los Angeles.

The largest crowd to ever see a USC-UCLA traditional was also in the fall of 1947, when 102,938 were in attendance just two weeks before the aforementioned record-breaker. There have been two other Trojan-Bruin crowds over 100,000: the turnstiles clicked 102,546 times in 1954 and 100,355 were on hand in 1939.

Obviously, no other stadium in the world or in sports history, for that matter, has the football tradition that belongs to the L.A. Coliseum.

The Coliseum was completed in 1923 and enlarged for the Olympic Games in 1932. After the enlargement for the '32 Olympics, the Coliseum held attendances of 100,000 persons and upwards. The largest crowd to ever attend a Coliseum event was the 134,254 for the last night of the September, 1963 Billy Graham Crusade.

Although the huge saucer is just at the 50-year mark in age it has kept up with "the Jones," so to speak, with over \$5 million worth of improvements in the last 25 years alone and many say it is more modern now than many of the brand new super stadia and looks better than it did upon completion of construction.

But it may be the "modern day" Coliseum that will stick more in the mind of the loyal Trojan fan. Since 1964, when theatre-type seating was installed in the great stadium, cutting the seating capacity by over 7,000 to the present 93,791, USC has had some of its greatest moments.

Although the super cross-town clash between USC and UCLA has been on live local TV, it has often been a complete sellout weeks in advance and the games have been equally as dramatic.

In mid-November of 1967 jamming the Coliseum were 90,780 and two years later almost an exact duplicate crowd of 90,771 was on hand for the traditional battle. But the largest crowd to see this titanic after the seating capacity was reduced was 94,085 in 1965.

One of the greatest games ever played in the Coliseum or anywhere, for that matter, was in the 1969 season. Facing certain defeat with but three seconds remaining on the clock and with the gun sounding as the ball was in the air, a Ron Ayala field goal from 34 yards away gave the Trojans a more than thrilling 26-24 victory over Stanford.

Every season USC has to cut its season ticket sales off at about 50,000 and with the schedules that the Trojans have lined up for this and future years there is no reason to see any change.

So Coliseum tradition grows and grows with the USC Trojans as an integral part of it!

Mike Garrett, USC's first Heisman Trophy winner, concluded his Trojan career on Nov. 27, 1965, against Wyoming. By rushing for 112 yards in that game, Mike established a new NCAA career record.

The popular Garrett won the Heisman Trophy over such outstanding collegians as Howard Twilly of Tulsa, Jim Grabowski of Illinois, Don Anderson of Texas Tech, Floyd Little, Tom Nobis, Bob Griese and Clint Jones.

Today's Garrett is a mainstay in the backfield of the San Diego Chargers.

# 1972 USC PROSPECTUS

"No matter how you slice it," says USC football coach John McKay, "we will have only four lettermen playing in our defensive unit when we open the 1972 season. We will be much quicker defensively than a year ago, but very, very, inexperienced."

Thus, John McKay begins his 13th year as head coach at the University of Southern California with the rebuilding of the defensive unit his number one priority.

The schedule is typically Trojan—tough.

Non-conference games are on the docket with Arkansas, Michigan State, Illinois and Notre Dame—all rated contenders for league or national championships—and all seven Pac-8 opponents will tangle with the Trojans this year.

"I think it is one of the toughest schedules we've played since I've been at USC," said McKay.

John Grant, a tackle heads the list of defensive returnees which also includes Artimus Parker and Steve Fate in the secondary and Charles Anthony at linebacker.

Richard Wood "who should be our sophomore of the year," according to McKay, will fill the other linebacker spot while converted running back Charles Hinton and sophomore Charles Phillips will get a good shot at the two openings in the secondary.

Joining Grant up front could be any combination of Greg Marderian, Monte Doris, Jeff Winans, Dave Blanche or newcomer Lou Williams.

Offensively, McKay is most concerned about consistency.

"In the past couple of years we have not been consistent enough, especially in the offensive line, to be truly outstanding," McKay noted.

In that line he returns tight end and All-America candidate Charles Young, tackle and All-America prospect Pete Adams, guards Mike Ryan and Allan Graf and center Dave Brown, "one of the best blocking centers we've had," according to McKay.

Major question marks in the offensive backfield concern the condition of fullback Sam Cunningham, returning after knee surgery, and tailback Rod McNeill, who missed last season with a hip injury.

Mike Rae, who shared quarterback chores with Jim Jones last year, is expected to open at quarterback with Lynn Swann at flanker and Edesel Garrison at split end.

Rae, who will be backed up by sophomore Pat Haden, led the Trojans in scoring last year with 37 points on 22 conversions and five field goals. It marked the first time that the Trojans' leading scorer had not scored a touchdown.

McKay could get some offensive help from sophomore running backs Allen Carter, who gained 4388 yards in his high school career, and Anthony Davis, who had an outstanding spring, along with junior returnee Manny Moore. Sophomore Bill Fudge should spell Cunningham at fullback along with Ray Washmera.

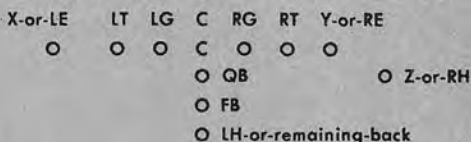

Young J. K. McKay, who caught 16 passes in the Trojans spring game, adds depth to the receiving corps as does Clarence Reece and Chris Chaney.

In a capsule: "I think we should have a better football team than last year," says McKay, "but we must be more consistent or go with younger players."

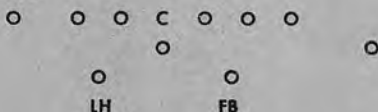

## TROY'S SHIFTING-T OFFENSE

Trojan football for ten years has presented one of the nation's most exciting offenses with the shifting-T formation first introduced by Coach John McKay in 1961. Troy again will employ the same attack with minor modifications during the 1972 season. The following is a brief description of the Shifting-T offense.

### THE TROJANS WILL LINE-UP ACCORDINGLY

### AND, AS AN EXAMPLE, THE TROJANS WILL THEN SHIFT INTO

## HIGHLIGHTS OF THIS SHIFTING-T FORMATION

There will be numerous variations to the above general formation, with the split (or X) end flopping-over to the right side occasionally.

The split (or X) end will always be split. The man normally designated as the left end will always be the split or X end.

The Y (or right) end will always line up tight next to his tackle. Depending on what side the X end splits out, the tackles and guards will be designated as strong or weak tackles and guards, with the tackle and guard on the side of the split end being designated as the weak side and the tackle and guard on the side where the Y end plays in tight being designated as strong tackle and guard.

The fullback and remaining back (normally the left halfback) will shift into a stance approximately two-yards behind and to the side of the quarterback.

The fullback will normally shift to the right side of the quarterback.

The flanker back (normally the right halfback) will be referred to as the Z back.

# PLAYER BIOGRAPHIES

(Players are not listed by order of substitution, merely by position in alphabetical order.)

## WIDE RECEIVERS

### (7) DAVE BOULWARE—6-1, 197, 21, Jr.

Warren High, Downey, 1969. The most versatile Trojan, Boulware began last season as a defensive back, was switched to quarterback in fall practice and also played wide receiver during the season. This was in addition to doing all the punting for the Trojans. He became the punter by accident. During a practice he retrieved a punt and kicked it back. "I noticed I could kick the ball as far as our regular punters," Dave said. His first practice attempt went 45 yards and the Trojans had their punter. Will also play wide receiver this fall after an impressive spring at that position. Was a quarterback in high school and also participated in basketball and track.

### (16) JOHN CANTWELL—6-1, 185, 19, So.

Fermin Lasuen High, San Pedro, 1971. John played for the frosh last season as a flanker and punter. He caught four passes for 51 yards and had a 33.1 punting average. Attended Bishop Amat High School for two years where his father was football coach. Transferred to Fermin Lasuen and lettered in football and basketball. His brother, Phil, is also on the Trojan team. His most thrilling moment in sports was scoring the first touchdown of the year for the undefeated Trojan frosh and his most embarrassing moment is not remembering the touchdown after the game.

### (17) PHIL CANTWELL—5-10, 171, 20, So.

Fermin Lasuen High, San Pedro, 1970. Played on the junior varsity last season as a wide receiver. He caught four passes for 52 yards and had one interception with a 48-yard return as a flanker-defensive back for the Trojan frosh two years ago. Was All-CIF 3A in high school and played for his father, Phil Cantwell, Sr., before transferring from Bishop Amat to Lasuen. His brother, John, is also on the team.

### (15) CHRIS CHANEY—6-2, 185, 21, Sr.

Bishop Amat High, West Covina, 1969. Has been a member of the varsity squad the last two years although not lettering. Played flanker behind Lynn Swann in 1971. Led the 1969 Trojan frosh in receiving with 14 pass receptions for 210 yards. Was All-San Gabriel Valley in high school and also a member of the national honor society (CSF).

## **(19) EDESEL GARRISON—6-1, 185, 20, Sr.**

Centennial High, Compton, 1968. One of the world's best quarter-milers, Garrison is one of the fastest football players in the nation. He has lifetime bests of 45.4 in the 440-yard dash and 9.5 in the 100. Edesel (E-DES-ul) became a mid-season starter at split end and finished as the Trojan's second-leading receiver. He made national headlines against Notre Dame when the Trojans kayoed the Irish, 28-14, in South Bend. Garrison caught two touchdown passes and set up a third score with a 43-yard reception. "He's as good as he wants to be," says USC coach John McKay. Very personable, always has something interesting to say. He beat world record holder John Smith to win the 440 in the Pac-8 Championship and scored for the 4th straight year in the NCAA: 1972—4th in 440 and a member of winning 440 relay team; 1971—2nd in 440 and member of winning 440 relay team; 1970—6th in 440 and member of second place 440 relay; 1969—4th in 440. After the NCAA meet he hung up his spikes to concentrate on football. Best game: 5 receptions for 127 yards, two t.d.'s vs. Notre Dame, 1971.

Bishop Amat High, Covina, 1971. The son of Trojan coach John McKay, he prefers to be called "J.K." and is not John McKay Jr. since he and his father have different middle names. McKay led the Trojan frosh in receiving with 27 receptions for 425 yards and a 15.7 average with three touchdowns. He had an outstanding spring, too, catching 16 passes for 182 yards in the intrasquad finale. McKay and Pat Haden, also a Trojan sophomore, formed the greatest passing and receiving duo in Southern California high school history and maybe the nation. They were named Co-Players of the Year their senior year and led Bishop Amat to the title in the CIF, Southern Section. J. K. won every honor from prep All-American on down. He set local career records with 207 catches for 3389 yards and 48 touchdowns and season records with 106 receptions (as a junior) and 1741 yards and 29 touchdowns and a one-game mark of 323 yards receiving. Has a similar style to former Trojan standout Bobby Chandler and is particularly effective with sideline patterns. Coach McKay says, "He gets open and can catch the ball. If he doesn't play, it will surprise me. But he won't play just because he's my son."

## **(23) CLARENCE REECE—5-10, 184, 19, So.**

Banning High, Wilmington, 1971. He was second leading receiver on the Trojan frosh in 1971 with 14 receptions for 195 yards and two touchdowns. He was Player of the Year in the Marine League and played in the 1971 Shrine All Star game.

**(22) LYNN SWANN—6-0, 180, 20, Jr.**

Serra High, Foster City, 1970. Swann was the leading Trojan receiver as a sophomore last year. He also led the team in punt returns, running back 11 for 157 yards and an outstanding 14.3 average. Two of his returns were for 73 and 57 yards. Lynn had three kickoff returns for 66 yards. As a freshman he played flanker and defensive back and led the Trojans in receptions with 12 for 246 yards and three touchdowns in three games. A high school football All-America, he also excelled in basketball and track at Serra High in Northern California. He won state long jump championship with a 24-2 leap, beating current NCAA Champion and Olympian Randy Williams of USC and James McAlister of UCLA. His bests were 24-10 and a 9.8 100. Best game: 5 catches for 51 yards and two touchdowns vs. Cal.

Escondido High, 1971. Flood is being moved to tight end after playing guard on last year's frosh team. He was All-CIF in the San Diego area and his league's Lineman of the Year as a tight end and linebacker in high school.

Ganesha High, Pomona, 1969. Dean was shifted to tight end last season from wide receiver. It was his first year on the varsity after a season on the junior varsity. He was a fullback in high school and also played center on the basketball team and ran the hurdles in track.

**(89) CHARLES YOUNG—6-4, 228, 21, Sr.**

Edison High, Fresno, 1969. Coach McKay has said many times that he believes Charles Young "can be the greatest tight end ever to play football at USC." Young was USC's second leading scorer last fall with six touchdowns (all pass receptions). "He has outstanding speed and can catch the ball," said McKay. "He can go deep as well as short, almost like a split receiver." His teammates call him "Tree" because of his massive upper torso and long arms. Made AP All-America second team and UPI All-America honorable mention plus both wire service All-Coast teams last season. Was a high school All-America in both football and basketball. Was "Player of the Year" in the Fresno area as a tight end and middle linebacker for Edison High School. Ranks 14th in USC career pass receiving leaders. Was a parttime starter as a sophomore with Gerry Mullins, now of the Pittsburgh Steelers, and played 264 minutes as a junior.

## TACKLES

### **(77) PETE ADAMS—6-4, 250, 21, Sr.**

University High, San Diego, 1969. Rated among the best offensive linemen in the nation. Will be a starter for the third straight year. Can play either guard or tackle. He is a very alert player as evidenced by his three fumble recoveries in the Rice game last year. He also recovered a fumble for a touch-down against Notre Dame in 1970 which he rates as his biggest thrill in football. "He's quick for his size and has good movement," notes McKay. Spent one year at San Diego City College prior to coming to USC and made all-Conference and the Dean's List with a 3.85 grade point average. Pete's favorite hobby is singing and last fall he was called upon to offer chorus of "They Call the Wind Mariah" for the touring Sky writers. Pete says: "I take pride in my blocking. I know that an offensive lineman isn't noticed much, but you get an inner satisfaction if you do an artistic job." His sports hero was Ron Mix, who, he says, was "one of a long line of great USC tackles."

### **(64) BOB HOYT—6-6, 235, 18, So.**

Foothill High, Santa Ana, 1971. Started at offensive tackle for last year's frosh. Lettered in football and baseball in high school.

### **(74) MIKE MCGIRR—6-5, 280, 20, Sr.**

Rowland High, Walnut, 1969. Coach McKay says McGirr has a "fair chance" of returning to action this fall following surgery for a knee injury last spring. McGirr, who led the Trojans in tackles last year with 104, was moved back to offense in the spring to fill the hole left by All-America John Vella, now with the Oakland Raiders. Mike is not new to the position, having played offensive tackle as a sophomore. He saw 39 minutes of action. McGirr played 297 minutes on defense last year, second most among returnees. "He may never reach his potential in college because of his tremendous size," says McKay.

### **(78) STEVE RILEY—6-4, 244, 19, Jr.**

Castle Park High, Chula Vista, 1970. Riley will probably start at one tackle spot after being the top reserve tackle as a sophomore. He played 40 minutes last fall. "He's a big youngster and very strong," said McKay. Steve was all-CIF as a defensive end and guard, "Lineman of the Year" in his league in high school and played in the 1970 Shrine All-Star game. He also participated in basketball and track.

### **(62) BOB SHAPUTIS—6-4, 238, 21, Jr.**

He says beating Notre Dame last season is his most thrilling moment in sports. He said that last year about the 1970 win over the Fighting Irish but adds that "this time we did it on their own field in South Bend." "He's one of the best blocking centers I've had here," said McKay. "He may be the best center in the nation." Perhaps the most consistent offensive lineman and one of the hardest working. Has good quickness. Was All-City in high school and played in the Shrine All-Star game. Won high school scholar-athlete award at Eagle Rock and is a B student in public administration. He is a member of the Fellowship of Christian Athletes and says his favorite pasttime is working in Christian endeavors. His most thrilling moment in sports was beating Notre Dame last year.

He was a three-sport letterman in high school, lettering in football, basketball and baseball. He was picked high in the major league baseball draft upon graduation from high school. Rob started for the North team in the 1970 Shrine All Star football game.

Haden had an impressive spring capped by an incredible performance in the intra-squad finale. He completed 37 of 57 passes for 450 yards. Talking about Haden, McKay said, "I played with Norm Van Brocklin and at SC I've had Pete Beathard, Bill Nelson and Craig Fertig. I've never seen a guy who throws as accurately as Haden. And he has what it takes to be a good quarterback, he's dedicated and intelligent." In high school Haden won all the honors given and broke virtually every passing record kept. He was All-America and Co-CIF Player of the Year with teammate J. K. McKay, and they led Bishop Amat to the CIF (Southern Section) Championship. During his three-year prep career he completed 527 of 850 passes for a 62.2 percent, 7,633 yards and 82 touchdowns. In his senior year he hit 224 of 373 passes for 3273 yards and 42 touchdowns. "Earl McCullough is the only one we've had to run 4.4. O. J. Simpson ran 4.5. That's how fast Allen is." Carter is the greatest running back out of Bonita since Glenn Davis, Army's Mr. Outside of the '40s. He was CIF 3A Player of the Year and a high school All-America. His senior year marks of 256 carries for 1,915 yards and 33 touchdowns would have been better if he hadn't missed the CIF semifinal playoff game. As a junior Allen was an All-CIF outfielder for Bonita's baseball team and went undefeated in the 100-yard dash, topped by a 9.6 best and first place in the State meet. In high school McNeill earned All-America honors in football and was an outstanding hurdler with bests of 13.9 in the highs and 18.9 in the lows. And Sam isn't bad at longer distances, either. He's run a 9.8 100 and a 4.6 40. Add his great strength — he won two State CIF shot put championships with a best of 64-9 — to his speed and Sam has the talent to become one of the greatest running backs in USC history. In addition to his track prowess, Cunningham was a football All-America at Santa Barbara High School. He competed in the decathlon as a sophomore at USC but missed the last track season because of his injury. He took part in spring football drills although not taking part in any contact. ## ARKANSAS: QUANTITY OF QUALITY

Arkansas has the potential to improve its 8-2-1 record and second place standing in the Southwest Conference.

An inexperienced team last season, the Razorbacks return a quantity of quality athletes from the varsity and several talented men from the freshman squad who could contend for starting assignments.

Arkansas lost only five starters, three offensive and two defensive, but did lose a big scoring weapon with the graduation of kicking specialist Bill McClard.

Five Razorbacks who earned All-SWC honors last year return, including quarterback Joe Ferguson, the league's Offensive Player of the Year, and linebacker Danny Rhodes, the Sophomore Defensive Player of the Year. Receiver Mike Reppond was a unanimous choice and center Ron Revard, who was switched to tackle in the spring, and guard Tom Reed were consensus selections.

Ferguson led the SWC in passing and total offense. He completed 160 of 271 attempts for 2203 yards, a .590 completion percentage, and had 2242 yards in 337 total offense plays and 17 touchdown responsibilities. Reppond was the league's top pass receiver with 56 receptions for 987 yards.

Ferguson will be a definite candidate for the 1972 Heisman Trophy. He and Reppond could be the top passing combination in the country this season.

## BEAVERS STILL HAVE GOOD NUCLEUS

Oregon State lost quite heavily through graduation, especially on offense, but the Beavers still have a pretty fair nucleus to work around as another season approaches. There are 29 returning letter-winners, two of them from the 1970 club, offensive guard Rob Jurgenson and offensive halfback Ralph Show. Neither played last year due to pre-season injury.

Coach Dee Andros, who has experienced only one losing season in seven years at OSU (that was last year, when Beavers were 5-6 in Pacific-8 conference race), has a lot of experience returning on defense, headed by All-American linebacker candidate Steve Brown. The latter, 6-4 and 230, tied for the Pac-8 lead in pass interceptions as a middle linebacker last year and intercepted four in the Stanford game which OSU almost won. Andros has good all-around strength at linebacker and in the defensive backfield.

Both quarterbacks from last year, Jim Kilmartin and Steve Endicott, graduated. A "red-shirt" from a year ago is Tom Hickey, who will be a sophomore, has the inside track at that spot. He reminds all of Steve Preece, who led OSU to some great seasons in 1967 and 1968. A good back-up man for him is versatile Ray Taroli, one of the fastest men on the OSU squad. Taroli topped the nation in kickoff return yardage last year. He was a high school quarterback.

Andros has indicated he may change his basic 6-2-2-1 defense some, in favor of the deep four, but the offense will be much the same as in the past — "Power-T," with more of a "veer" offense. He had about 16 red-shirts last fall, so many of them can stop right up into varsity positions. A number of promising freshmen from a year ago could help, too, among them speedsters Wilson Morris and Percy Grogans.

One of Oregon State's big problems will be to overcome a tough early-season schedule. The first three games of the season are on the road. Beaver teams under Andros traditionally have finished strong, but sometimes fell along the way in the early contests.

On the surface, it would appear that Oregon State will have more speed than last year, not quite as much overall experience, excellent linebackers headed by Brown, a hard-nosed defensive unit and a team that can move the ball in a hurry. The receivers, headed by Greg Mobley, should be good, and Quarterback Hickey has indicated he can throw the ball effectively.

## ILLINI BETTER, BUT NEED RUNNERS

For Illinois, a glaring lack of depth in the backfield appears to be the major problem area. But everywhere else, things look better for head coach Bob Blackman. A total of 19 starters and 29 total lettermen return from 1971. The Fighting Illini won their last five games in 1971 and finished in a tie for third place in the Big Ten Conference.

For the first time in four years, the Illini have a solid and proven senior class and a host of players that the coaching staff feels inclined to rank as bonafide pro prospects and contenders for post season honors. The wealth of experience is evidenced by 14 players with two letters and 10 two-year starters.

The key loss came when John Wilson, sophomore running back, failed in the scholastic area and is no longer in school. Wilson led the team in rushing in 1971 (543 yards) and was the second leading receiver (114 yards).

Proven returnees in the backfield are Mike Navarro, fullback who has averaged 4.6 yards per carry the last two seasons, and halfback George Uremovich, who blossomed late in 1971 for 388 yards and a 5.2 average over the last five games.

Mike Wells, 6-5, 220-pound senior with two starting seasons behind him, appears set at quarterback. Wells is close to a host of Illini varsity records and appears ready to reach the stardom predicted when he was one of the highly recruited prep players in Illinois history.

The offensive line that spurred Illinois to five-straight wins returns in tact led by offensive center Larry McCarren.

Defensively, only one starter is missing in the line and all the line-backers are back. Leading the unit will be defensive end Tab Bennett, a consensus All-Big Ten selection. Also back are Willie Osley, who had seven interceptions last year, and John Graham in the secondary and tackles David Wright and Willie Lee.

### SPARTANS BIG TEN TITLE CONTENDER

"We expect to be a Big Ten championship contender again," says Michigan State's Coach Duffy Daugherty about his upcoming 1972 football squad. "I was optimistic going into last season, and I think the tie for third in the conference standings bore me out. This time I feel there is even more cause for optimism."

Duffy's optimistic outlook is based heavily on quality and depth of leadership provided from such athletes as senior co-captains, tight end Billy Joe DuPree and All-America safety Brad VanPelt, senior line-backer Gail Clark, senior All-Big Ten offensive guard Joe DeLamielleure and running back Jesse Williams.

Also big factors are the return of a total of 36 lettermen including seven regulars on offense and seven on defense, and the fact that the Spartans appear to be strongest in vital areas where they were doubtful a year ago—the offensive line and defensive backfield.

The problem spots are running back—where All-America great Eric Allen has left, quarterbacking—where two-year regular Mike Rasmusen has finished, defensive tackle—where All-America Ron Curl and veteran Bill Dawson have completed careers, and place-kicking—with the loss of Borys Shlapak. These players were the key losses among 15 lettermen who departed.

Among other regulars returning who could have strong years are center Bob McClowry, guard Dennis Macholz, tackle Marvin Roberts, quarterback George Mihailu and running back Mike Holt on offense, and on defense halfbacks Paul Hayner and Bill Simpson, middle guards Ray Nester and Ernie Hamilton, tackle Gary VanElst and linebacker Ken Alderson.

Top prospects in a fine upcoming soph group are fullbacks Clarence Bullock, Joe Arnold and Arnold Morgado, running back David Brown, linebackers Mike Duda, and Pat and Terry McClowry, tackle Bob Love and offensive end Mike Jones.

## STANFORD: TALENT COMING AND GOING

New Coach Jack Christiansen will find 19 lettermen missing from Stanford's second consecutive Rose Bowl championship squad, and 13 of them were starters against Michigan. "But," says an optimistic Christiansen, "we have some highly skilled players coming back, a number of talented junior college transfers and several red-shirts who should fit in very nicely.

"Mike Boryla is in exactly the same position as was Don Bunce a year ago, and our coaching staff is confident that he can live up to his two outstanding predecessors. Our replacements will probably be harder to find on defense, rather than offense, but we have a good nucleus of veterans upon which to build."

Starting tackles Bill Meyers and Tim Schallich, along with center Dennis Sheehan, will be missing from the offensive line this year, but starting Rose Bowl guards Younger Klippert and Lee Fair will be back for their senior seasons. So will tight end Bill Scott, who caught five passes against the Wolverines to climax a brilliant junior season.

Jackie Brown, Jim Kehl and Hillary Shockley will be missing from the ball carrying department, but Reggie Sanderson and Vic Lamanuzzi return. There is also the plan to bring John Winesberry in from his flanker position to handle the ball more often, and the set back field of Sanderson and Winesberry could provide great explosiveness.

Boryla inherits Don Bunce's top three leading receivers from the 1971 team. Miles Moore, with 38 catches for a remarkable 816 yards (21.5 yards per catch) must be considered as one of the outstanding deep receivers in the country, while Bill Scott (31 catches for 393 yards) measures up with the best of the tight ends. Winesberry will, of course, continue to be a prime target no matter where he plays, and so will Sanderson. A healthy Eric Cross, bothered by a hamstring pull much of the '71 campaign, will be another big plus factor in the passing game.

Not to be overlooked in the Stanford offensive picture is a little fellow by the name of Rod Garcia. Garcia came into the Rose Bowl game leading the country with 14 field goals and added 2 more against Michigan, one of a rather dramatic nature with but :12 seconds remaining.

Defensively, Stanford will be without All-American linebacker Jeff Siemon and three of the vaunted Thunder Chickens of the past two years. While Pete Lazetich, Larry Butler and Greg Sampson have all graduated to the pros, Pierre Perreault and Roger Cowan will be back to anchor the two outside positions in the Stanford 4-3-4 alignment. Pete Hanson and Barry Reynolds also will return. In addition to Siemon, linebackers Mike Simone and Phil Satre are gone, but starters Pat Moore and Jim Merlo are back, along with veteran Dennis Peterson.

Charles McCloud and Randy Poltl return for senior and junior seasons respectively, but Benny Barnes and Tim Robnett have been lost to graduation. McCloud has never allowed a completion over his head in two years of Stanford football, and it was Poltl who became the sophomore sensation in the Rose Bowl with 14 tackles against Michigan.

## CAL: NEW COACH, NEW PLAYERS

How well one of California's three quarterbacks develops will probably determine the success of new Bear head coach Mike White.

White, offensive co-ordinator for the past two Stanford Rose Bowl championship teams, has only five starters returning offensively and defensively and must rely heavily on sophomores and JC transfers.

One of the sophomores, Steve Bartkowski, will battle veterans Jay Cruze and Reed Chastang for the important quarterback spot. They will have an excellent target in All-Coast receiver Steve Sweeney while the flanker position is up for grabs with the graduation of Geoff DeLapp.

## HUSKIES' OPTIMISM WELL-FOUNDED

Many Seattle-area people are saying that 1972 has to be the year for the Huskies. And it might well be.

The basis for their optimism is well-founded. The Huskies could have the finest group of returning players in the country, based on (one or all) number of lettermen, overall experience, or talent.

Washington lost only 11 players through graduation. Two of those were starters on offense for most of the season and two others were starters on defense all year. Returning for the 1972 season will be a group of 40 lettermen, 17 of whom earned two letters.

More revealing and meaningful, though, is the number of returnees from the offensive and defensive two-deeps for the last two games of 1971. Twenty players from the two offensive units, 10 from each, will be back. Defensively, nine starters and seven backup men will return.

Leading the returnees is senior quarterback Sonny Sixkiller, who led the nation in passing as a sophomore. Other top players back include All-Conference selections Gordy Guinn at defensive tackle and Calvin Jones at cornerback and honorable mention choice Bill Cahill at safety.

Washington finished 19th in the nation last season in most final polls with its 8-3 record. This year the Huskies will settle for no less than a Pac-8 championship.

## ENRIGHT PLANS CHANGES FOR DUCKS

Change is the big word at Oregon where the Ducks have a new head coach Dick Enright with a unique philosophy.

Enright believes his best 22 players, if at all possible, should be playing. As a result of this, a lot of the 29 Duck veterans are in new positions.

One Oregon player remaining in his old position is quarterback Don Fouts, who holds all of Oregon's game and season passing records. Other Duck standouts are offensive tackle Tim Stokes and split end Greg Specht.

Enright will also be changing the offensive and defensive formations. The Ducks will run out of a Pro-T offense which will feature the option as well as the passing game. Defensively, Oregon will go to a 5-2, getting out of the "pro" four-man front used the past two years.

Oregon has some big shoes to fill with the departure of All-America tailback Bobby Moore and tackle Tom Draugas, flanker Leland Glass and linebacker Tom Graham. Altogether, the Ducks lost five offensive starters and six on defense, including all three linebackers.

Enright plans to use the bulk of last year's talented frosh team on defense, the area Oregon needs to make its biggest improvement.

## COUGARS DEPEND ON DEFENSE

Washington State, which looked to its offense to carry the load last year, will depend on its defense in 1972.

Cougar Coach Jim Sweeney, starting his fifth season, has a veteran defensive unit, but must replace the offensive line and tailback Bernard Jackson from the team that led the Pacific-8 in rushing last year. With Jackson gaining 1,189 yards, the Cougars rushed for 2,636 yards.

The offense returns two legitimate all-star candidates in quarterback Ty Paine and fullback-tailback Ken Grandberry. Paine already owns the school career total offense record with 3,447 yards passing and running, and Grandberry gained 626 net yards, the most ever by a sophomore at WSU.

Grandberry, who ranked sixth in the league in rushing, played fullback last year, but may shift to tailback to replace the speedy Jackson.

Up from the freshman team are two highly rated freshmen, fullback Marv Chamberlain and tailback Charles Anderson. Both averaged more than 100 yards per game rushing last year. Greg Johnson, a transfer from Pasadena City College, is a strong candidate for the tailback position if Grandberry remains at fullback.

The defense returns a starter at nearly every position including junior Tom Poe, who was named to Football News' Sophomore All-American team as a middle linebacker. Clyde Warehime came on strong at quick linebacker near the end of his 1971 sophomore season.

Robin Sinclair, defensive player of the week in the Pacific-8 after the Cougars' victory over Utah, returns at one cornerback and Harry Thompson and Eric Johnson are back at the safeties. Fran Kachaturian, a transfer from Rio Hondo Junior College, is expected to replace Ron Mims, the all-conference cornerback, who now is a member of the coaching staff.

## BRUINS MAKE A WISH(BONE)

With installation of the Wishbone offense and anticipated return of running back James McAlister, the Bruins may bounce back into the thick of the Pac-8 race.

Coach Pepper Rodgers doesn't have an established quarterback and will go with either senior Rob Scribner, a starting defensive back last year, or Pierce College transfer Mark Harmon, son of former Michigan great Tom Harmon.

The Bruins have strong running backs in fullback Gary Campbell, left half Randy Tyler and speedy right half Kermit Johnson to combine with McAlister.

Up front, leading Bruin receiver Terry Vernoy, two-year guard letterman Randy Gaschler and huge tackle Bruce Walton are the returning starters.

Most of the experience on defense is in the secondary with halfbacks Allan Ellis and Alan Lemmerman and safety Jim Bright back. Bob Pifferini and Greg Snyder graduated, leaving openings at both linebackers likely to be filled by sophomore Charles Herring, who had a knee operation last year, and either Vincent Mok, Steve Hookano or Steve Kelly.

On the front line, starters Cal Peterson and Fred McNeill return at the ends but only lettermen Earl Peterson and Rick Baska are back at the three interior positions.

## DEFENSE CONCERNS FIGHTING IRISH

The number one priority in Ara Parseghian's team plan each year is defense. And this season it will receive more attention than usual since only three regulars return from last year's 8-2 squad.

A year ago one of the problem areas of major concern facing Parseghian was the offense. This season the tables have turned around to an extent because of the presence of several veterans on the offensive unit.

But watching graduation riddle the defensive unit that was ranked among the best in the nation is more than enough to worry Parseghian. Eight starters have departed—including All-Americans Walt Patulski, Clarence Ellis and Mike Kadish—plus highly regarded veterans Fred Swendsen, Eric Patton, Ralph Stepaniak and Mike Crotty.

Parseghian, with a winning percentage of .846 over the past eight years at Notre Dame, has 22 of 40 monogram winners returning. But 16 of the 20 lettermen played on the offensive units last fall—including seven starters.

All-American candidate Greg Marx and two starting linebackers, Jim Musuraca and Jim O'Malley, return to anchor a defense consisting primarily of juniors and sophomores. Marx is the only leftover from a defensive line that had been labeled the top front wall in the past eight seasons, allowing just 86.4 yards per game. Marx was also the second leading tackler on the team with 85 that included "sacking" the quarterback 12 times—second only to Patulski.

# NON-CONFERENCE RECORD

The Trojans maintained their reputation of meeting the nation's best teams in non-conference play and still came away with a winning record last season.

Troy was 3-2 despite meeting Sugar Bowl winner Oklahoma (11-1), Orange Bowl participant Alabama (11-1) and Notre Dame (8-2). The Fighting Irish were 5-0 and had allowed only 16 points before the Trojans beat them, 28-14, in South Bend.

USC will enter the 1972 season with an enviable 202 win, 83 loss, and 16 tie record for non-conference games. This mark includes a 12-5-0 record in Rose Bowl games.

The Trojans also claim an advantage over every major conference.
